Overseas
Expansion

&

New Developments!

UnveilinGLORY
is continuing to expand overseas (World Impact Map)!
We are developing partnerships with indigenous believers around the
world, so they can carry the message of Unveiling God's Glory to their
own people groups.

Here in the
United States we are also working feverishly to develop new material.

Unfortunately,
support is desperately needed to continue our international missions
and guarantee the continued flow of our free materials. Please
take a moment and pray whether you are being led to join us in Unveiling
God's Glory to the world.
