

Next Step

For many years we have been speaking to churches and organizations around the world and we've always received the same question, "What next?" Once the Spirit grabs hold of someone's heart there is a natural yearning for ways to apply their new found revelation in their lives.

After much prayer we feel led to provide those of you who the Spirit has touched through our messages with Next Step opportunities with Ministry Partners from around the world. Please take a moment and visit our Ministry Partner's websites to learn more about what might be God's Next Step in your walk with Him.
