Teacher Development Seminars exists to partner with teachers of children and children's ministry leadership in order to impact the next generations with a passion for His Word and a heart for His World...so that...children of all nations will live for HIS GLORY as they grow to KNOW, LOVE & WORSHIP HIM – and TELL others about HIM!

Encourage! Equip! Energize! Enrich!

We accomplish our vision for teachers and children through UG Teacher Development Seminars!

- Encourage and invest in the lives of teachers (who are already doing a great job!) through Biblical and motivational leadership skills.

- Equip teachers with missional teaching tools to enable children they teach to live the life of Christ, intentionally and strategically, 24/7 for His glory.

- Energize classroom teaching through creative ideas uniquely developed in the children's UnveilinGLORY curriculum.

- Enrichment through real life examples and life application.
