

## Travel with UnveilinGLORY

Bob and Debby will be traveling to Ethiopia from May 27th to June 7th. They will be teaming up with E3 Ministries ([www.E3partners.org](http://www.E3partners.org)) and partner with an already established parent church to plant a daughter church in villages where no churches exist.

E3 Partners has a proven track record for church planting in short periods of time.

Back in 2008, Bob and Hunter went with E3 to Peru on a Father/Son trip. They ended up going by themselves to a small village and with the help of a translator, planted a daughter church by the grace of God!

E3's statistics say that every person who goes on one of their trips leads an average of 25 people to the Lord. For every four people who travel, one church is planted! These statistics are amazing. They find this true even with people who have never traveled before and who rarely share their faith here in the states.

The cost of the trip will be approximately \$3,600.
